While our office will remain open, we ask that all correspondence be conducted by telephone or email. When office contact is essential, please follow all posted instructions. The health and well-being of our guests' is a top priority.

The threat of the coronavirus is causing us to review how we operate our community and look at the ways we can make changes to do our part to help prevent the spread of the virus.

We will follow the directives put down from the Office of the Governor of the State of Texas and our local County Governments concerning public health recommendations or State orders.

We are taking preventative measures to decrease person-to-person contact and prevent the spread of germs through shared surfaces, increased our cleaning and sanitizing procedures in common areas, and following social distancing guidelines.

Thank you,
